

## HOST A WEST U SOCIABLE

**WHO?** Any WUES parent or group of parents can host or help host a Sociable. Sociables can be for kids, adults or families.

**WHAT?** A Sociable is a fun party that raises money for our school and our children. Sociables fill up your calendar with fun and are a perfect way to strengthen and make new friendships! Below are some Kid and Adult party ideas but we want to know your ideas too.

**WHERE?** Sociables can be held inside or outside, off-campus and with no limit on the number of people attending. Have fun inviting as many people as you like. The events can be kid or adult-only.

**WHEN?** Sociables are scheduled throughout the year by the hosts of each party.

**HOW?** Contact your Sociable Chairs Lauren Gates, Shirley Nwosu & Heather Conerly at [sociables@westupto.org](mailto:sociables@westupto.org) to organize a party. We can connect you with a group or help you with ideas. Hosts may either cover the entire cost of the Sociable or may add an amount to the admission price to cover a portion of the Sociable. However, this is a fundraiser so the more money you make for the school the better! Class funds are not used for Sociables.

**ATTEND?** You will learn about the events from friends, room moms, PTO social media pages and the Mustang News.  
<https://www.westupto.org/events>

Have fun and throw a fabulous party!
